## WHO WE ARE

Manna Harvest, Jeremiah 2911 Project collects merchandise from national retail outlets, businesses, and individuals for distribution to citizens in need, free of charge. Through our potential growing number of volunteers and partners, we intend to be able to assist families in their immediate tangible goods needs and at the same time, empower our partners to assist in core needs assessment and long term holistic solutions.

## WHY WE DO IT

To demonstrate compassion by giving valuable goods to those in need and through these activities, foster community growth and relationships.

Knowledge that you are:

Reflecting true community by collaborated relationships and acts of kindness.

Contributing to the welfare of our communities disadvantaged.

Helping to eliminate waste destined for local landfills.

Encouraging transformation for our communities.

## WHAT'S IN IT FOR SUPPORTERS?

## MISSION & VISION

**Reflect** true unity of the blessed community by securing and redirecting valuable materials to our disadvantaged communities, and through these acts of giving and kindness, sharing **Hope, Faith and Charity**.

To develop **collaborative working relationships** with established 501C3 nonprofits and churches based in **Johnson County** and seek organizations that are active in identifying areas of specific **human need** in order to expand our ability to effectively deliver collected materials directly to where they are **needed** most.

# **Product Philanthropy** allows your nonprofit to access **NEW** products for a shared access cost.

**How This Works** – Manna Harvest Jeremiah 2911 Project receives products directly from suppliers, arranges for loading, trucking and handling of the goods. Your nonprofit can acquire these for the Shared Access Cost (what it costs us to bring the material from the retailer to you)! Wonderful new goods for only an acquisition fee, as a part of this nonprofit church network.

**Meeting Needs** – The needs of more at-risk families and individuals can be satisfied by your agencies' collaboration with Manna Harvest Jeremiah 2911 Project. Personal care, paper products, hair care, hygiene items, toys, kitchen goods, linens, cleaning products, organizers, bookshelves, appliances, and brand name products await your choosing.

**Donors** – Products flow from nationally branded companies many you will recognize. Your nonprofit may take advantage of the best products available. For those you help – self-esteem soars as they receive the best products from your nonprofit! You give the BEST!

**\$300/quarter = \$1,500 - \$3,000** worth of goods

## DONATIONS

**We serve as a Community Redistribution Partner (CRP) through a nonprofit called **Good360**, the nation's leader in **product philanthropy**.**

By working with both Good360 and corporations, Manna Harvest's Jeremiah 2911 Project is able to receive product donations from companies like Home Depot, Walmart, Target, CVS, etc.

These products can then be shared with churches and nonprofits for pennies on the dollar. We have an acquisition fee to help cover shipping, sorting, and general operating costs, which helps us to make more products available to the community.

If you are a church or nonprofit interested in joining the local network, to be eligible to receive these much-needed products to serve our communities and strengthen our organizations...

**please join us in fighting poverty in our communities.**
